

"We must never be afraid to go too far, far truth lies beyond."

"We are able to find everything in our memory, which is like a dispensary or chemical laboratory in which chance steers our hand sometimes to a soothing drug and sometimes to a dangerous poison."

"Three-quarters of the sicknesses of intelligent people come from their intelligence. They need at least a doctor who can understand this sickness."

"Illness is the doctor to whom we pay most heed; to kindness, to knowledge, we make promise only; pain we obey."

"The real voyage of discovery consists not in seeking new landscapes, but in having new eyes."
