

# Variant Questionnaire 2

*Note: Your memories will occur in reverse chronological order. This is because substantial time elapsed between your trauma and your admission to the Institute. As a result, you must work your way back to before that event in order to recover your memories.*

**1.** What happened just before  
you were admitted to the Institute?

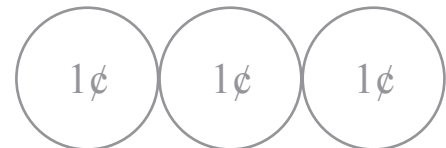

REQUIRES

When I think of \_\_\_\_\_, I remember:

**2.** How did you lose your memory?

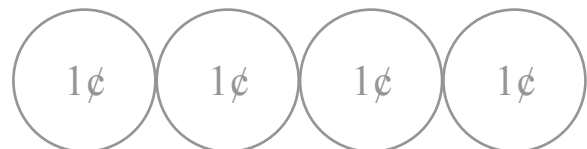

REQUIRES

When I think of \_\_\_\_\_, I remember:

**3.** What was your life like  
before the trauma?

REQUIRES

When I think of \_\_\_\_\_, I remember:

How did you lose your memory?

---

**Do you want to remember your past?**

Yes  No
